

## IT Professionals Directory (NEW ORLEANS, LA)

Welcome to the LinkedCIO Directory 2016 Edition - A publication of the TechExecs Network.

We linked the IT professionals to keep the business in motion!

Please Note:

- Each published directory is based on a specific city/region within the United States of America and each directory published is restricted to a single user license agreement.
- A User Name and Password would be provided for each published directory.
- You are welcome to request a custom format and sorting of the Directory based on the following:
  - Company Name
  - Industry Category
  - Or by First Name
- The LinkedCIO Directory does not contain email addresses and only provide public and searchable profiles on LinkedIn. We have taken the time, effort and energy to organize these valuable data insights for your use.
- **This is a SAMPLE directory published by Company Name.**
- **USER ACCEPTANCE:** LinkedCIO or TechExecs Network does not warranty the accuracy, maintenance or update for the LinkedIn Public Profiles and is not liable whatsoever for mistakes, roles, positions, title of the individuals listed herein this directory. Use at your own risk and your own discretion. Please do not use this directory for the sole purpose of soliciting for business and you will follow the guidelines of LinkedIn.com for the use of their site. LinkedCIO is not affiliated with LinkedIn. TechExecs Network, founded in 1999, preceded LinkedIn and maintains full ownership of its membership since 1999, and does appreciate LinkedIn.com's efforts in crowdsourcing public profiles so that this directory can be verified and made available to the licensees.
